Fox is not news! The comics offer more real news than this. It reminds me a lot of hysterical news print like the enquirer. So sad to see this garbage on my phone! These are not worthy of release. Liars all!

Thank You

Fox News is the only news channel that provides fair and objective information. We very much appreciate each journalist in reporting the facts - good or bad. It is very disappointing and unfortunate that the other so-called newscasters from the other channels fail to carry out their work responsibly. There are usually 4 or 5 glum people that look like they are at a funeral. Well, we had to tolerat

The best Alternate News around!

Never the same boring take on the big events of the day that we constantly find in the Mainstream Media, but truly exciting alternative ways of looking at the same events. Especially rewarding for those who are rarely satisfied with how so many of the most interesting happenings always seem to turn out the same way in the M.M. Not on Fox though! They're the only s

Fox News Reputation

I and my friends depend absolutely on Fox News as the verified, absolute truth, not somebody's opinion, "telling it like it oughta be", slanted to hopefully produce a desired effect, or just out-and-out "alternate facts" (called "fake news", or damned lies in Texas).

I would expect Fox to make an error now and then, and correct it as soon as they find it - I'm sure they do, but I can't recall an e

New Fox App is working better, but....

Update: March 2018: the app is working fine, I use an an iPad Pro working on iOS 11, no problem. Also live feed is great. My issue is the news and the way it is presented. It's a daily drum beat about Trump this and that. I stopped watching CNN and never could stand MSNBC. They are not providing news anymore, more a outlets for the radical left. Sadly the Fox News stories on the AP look like somet

To Far Right

In this environment of spin, eagerness to get the story out first before fact are complete or verified, and way too many inaccuracies, FOX simply does the best job verifying facts and getting them out timely. Their right of center bias overall is known with Hannity, Carlson and Ingram but that is commentary. Bret Baier is the best objective news available. Commentary on Baier's program is clearly
